### Individual Players

For an individual not on a team we do have a list that you may put your child on. When teams that sign up for leagues are short players and need to add individuals they will pull from our list. There are no guarantees that your child can be placed on a team. You may call the facility to add your child or you may come out to our facility and add your name to our individual board. You may also want to consider one of our training camps.
