4141 Hwy 111, Pontoon Beach, Illinois (618) 797-0619

**Kickball is back!!!** Last year Soccer for Fun held a kickball league which everyone enjoyed and had amazing fun. We are happy to keep this league going this year.

Soccer for Fun provides an avenue for people to meet other people and form relationships in a laid back, social environment. The idea behind kickball-past and present-is to have fun first, win second. Win or lose, what's better than being out there having fun with friends?

We at Soccer for Fun encourage rivalries, cheering, and general fun; but if you are an individual looking for an extremely competitive sport, our leagues may not be for you. Remember, it's just kickball, you can't really get that worked up or mad about anything...it's just kickball. Act like a kid again and be crowned champion. Kickball brings a fresh new twist to the recreational sports scene. Kickball...yes, just like you played in 5<sup>th</sup> grade, is a game that closes the age and gender gap, if but a little.
